Price:	\$0.00
Event Focal Point Email:	globalhealth@unitar.org

BACKGROUND

Unitar Online Catalogue
NCD Digital Health and Capacity Building
Unitar Online Catalogue

The purpose of this document is to provide a comprehensive overview of the project's objectives, scope, and timeline. It is intended for use by all stakeholders involved in the project, including the project manager, team members, and sponsors. The document will be updated as the project progresses and new information becomes available.

EVENT OBJECTIVES

The primary objective of the event is to increase awareness of the project and its goals. This will be achieved through a combination of direct and indirect methods. Direct methods include the use of posters, brochures, and other printed materials. Indirect methods include the use of social media, email newsletters, and other digital marketing techniques. The event will also provide an opportunity for the project team to engage with the community and answer questions about the project.

TARGETED AUDIENCE

The targeted audience for the event is the general public, with a focus on the local community. The event will be held in a public space, such as a park or a community center, to ensure that it is accessible to all members of the community. The event will also be promoted through a variety of channels, including social media, email newsletters, and local newspapers.

ADDITIONAL INFORMATION

The event will be held on the 15th of June, from 10:00 AM to 4:00 PM. The location of the event is the Community Center, 123 Main Street, Anytown, USA. The event is free of charge and open to all members of the community. For more information, please contact the project manager at [phone number] or visit the project website at [website URL].
